MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 6 to Contract No. TM-1606
with Baird-Atomic, Inc., Cambridge, Mass. P B Matress
Project CHALICE, Air Force, Navy.

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. TM-1606 covers repair and overhaul of Project and Air Force equipment. This Amendment No. 6 adds customer "C" which will provide repair facilities for Navy equipment.

3. Amendment No. 6 provides for \$4,000.00 chargeable during FY 1959 to Navy "No Year" funds. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(4) of Public Law 110, 81st Congress, for each contract.

5. Concurrence in Amendment No. 6 to Contract No. TM-1606 is recommended.
